## WHY BUY LOCAL?

Your choice to shop at local businesses means

**For every \$100 you spend \$46 is recirculated back into the local economy.**

### YOUR IMPACT WHEN YOU CHOOSE TO BUY LOCAL

#### REDUCED FOOTPRINT

Local businesses reduce impacts associated with global supply chains when they work with other local manufacturers and distributors.

#### JOBS & WAGES

Local businesses hire locally, creating jobs and circulating wages.

#### CHARITABLE GIVING

Local businesses give five times more per dollar of revenue to groups in their communities.

#### BANKING

Local businesses often keep banking local. Those local banks then can finance other local businesses and community groups.
